KITCHENER MEDICAL SERVICES SCHOLARSHIPS

Medical Services Scholarships, for which the money is provided by the Services, are awarded annually by competitive selection (a) to sons of officers and men or women, or of ex-officers and men or women, of the Regular Forces, or (b) to sons of officers and men or women, or of ex-officers and men or women, of the Reserve and Auxiliary Forces who served in the Great War of 1914-18 and/or the World War of 1939-45, who are over 17 and under 20 years of age on 1st January of the year of application (but the Committee may consider applicants over 20 who had before that age begun an approved medical course) and who require financial assistance to enable them to undergo a course of medical education with a view to obtaining commissions in the Medical Branches of the Royal Navy, Army or Royal Air Force.

The Scholarships are limited in number, at present to five each year, of which two are for applicants for service in the Royal Navy, two for the Army and one for the Royal Air Force. The value of each Scholarship is dependent on the financial resources of the scholar's family. The Scholarships are granted on the condition that the scholar, on becoming qualified to practise medicine and surgery, will apply at once for a commission under the current Regulations in the Medical Branch of the Service for which he was selected and that, if granted such a commission, he will render not less than five years' actual service on full pay; if, however, he does not continue in the Service and serve for at least fifteen years, the money spent by the Service on his Scholarship will be deducted from any gratuity that may be due to him on relinquishing his commission.

Applications can be received only in January or February of each year, and must be made on an application form obtainable as below.

Further details of these and other Kitchener Scholarships for University courses for sons of Service parents may be obtained on application to :—

1. The School is a boarding school, providing free education, board and clothing, for the sons of soldiers. A candidate for registration for admission to the School must be the legitimate son of a warrant officer, non-commissioned officer or man who is serving or has served in the Army or of an officer who, prior to being commissioned, enlisted on a normal engagement in the Regular Army.

2. Boys can be registered for admission between the ages of eight and eleven years, and admitted to the School after their ninth and before their twelfth birthdays. They are normally admitted at the beginning of the School year, in September, and to be considered for admission in any year a boy must be registered before 1st January of that year. Before admission all boys are subjected to an educational, general, and medical test as to their suitability for admission. Selection of boys for admission rests with Her Majesty's Commissioners. Preference in general is given to total orphans, to those whose fathers have been killed in action or have died while in the Service or after leaving the Service, and to motherless boys whose fathers are serving abroad.

3. A boy will normally leave the School at the end of the School year (July) in which he reaches the age of 15 years, but, if selected, he may remain at the School up to a maximum age of 19 years.

Further information will be given on application to the Secretary at the School.

THE "FORGOTTEN MEN"

Records show that many of the 45,000 veterans of the 1914-18 War overcame the handicaps imposed by amputation and the majority are leading full and useful lives today. But there were others, too. B.L.E.S.M.A. is doing everything in its power to help **ALL** limbless men and to see that they are **ALL** given the best chance—that a future of inevitable unemployment and neglect shall not be their lot . . . that they shall never join the ranks of the "Forgotten men".
